

# Automated Export System (AES) Compliance Seminar

## Can you answer the following?

*How do export regulations affect your business?*

*What is the Automated Export System (AES) and how do you report your export information?*

*Does your AES reporting comply with Export Administration Regulations?*

*How do you report Commerce controlled exports in AES?*

*Are you aware of upcoming regulatory changes that affect AES?*

If you answered "no" or "I'm not sure" to any of the above questions, the AES Compliance Seminar can assist you.

## Who should attend?

- Manufacturers, Suppliers, Order Parties
- Freight Forwarders
- Exporting Carriers
- Consolidators
- Compliance Software Providers

## Ever been penalized?

*Customs and Border Protection recognizes this program as a mitigating factor should a penalty be issued. Mitigating factors can lead to lower fines.*

*We will discuss other mitigating factors as well.*

## AES Compliance Seminar

Washington D.C.

Thursday, September 26th, 2013

8:00 AM - 5:00 PM

The Automated Export System (AES) Compliance Seminar is an all day program where experts from the Department of Commerce (Census Bureau and Bureau of Industry and Security) will speak on export filing requirements.

- Mandatory filing requirements
